

## Spring 2020 Recommissioning Services

Recommission By Date: \_\_\_\_\_

All agreements are scheduled on a first come, first serve basis. It is recommended to schedule recommissioning as soon as possible. **MarineMax recommends a minimum of one month advance notice and CANNOT guarantee any service date requested.**

Recommissioning includes, when applicable: engine(s), generator, water systems, head systems, A/C systems, washer/dryer, dishwasher, seawater wash down, shaft coolers, transmission oil coolers, visual inspection of transmissions, sea cocks and sea strainers.

**IMPORTANT** – This form must be completed in order to schedule your recommissioning. Please email or fax it back to us.

For mobile service, email [ron.mason@marinemax.com](mailto:ron.mason@marinemax.com)  
For in-house service, email [rob.carbaugh@marinemax.com](mailto:rob.carbaugh@marinemax.com)

Fax your completed form to (573) 365-3830 and call (573) 365-5382 for confirmation.

**We will come to your home or private dock for an additional service call charge starting at \$83.40.**

**Please note:** Water must be available on docks at time of recommissioning to flush out water systems. Power must be available on docks at time of recommissioning to operate lifts and check A/C operation. Most batteries will need to be charged before using your boat.
